Specializing in Rare and Unique Trees 2017 Catalogue

Pot sizes: The number represents the size of the pot ie. #1= 1 gallon, #10 = 10 gallon

#1 potted conifers are usually 3-5years old. #10 potted conifers dwarf conifers are between 10 and 15 years old

#1 trees= usually seedlings #10 trees= can be several years old anywhere from 5 to 10' tall depending on species and variety.

Please ask us on sizes and varieties you are not sure about.

Plants should be picked up by June 15th. Most plants arrive at the gardens by May 10th.

Many plants are limited to 1specimen. To reserve your plant(s) a 25% is required.

Guarantee: We cannot control the weather (good or bad), rodents (big or small), pests (teenie, tiny), poor siting, soil types, lawnmovers, snowplows etc.

Plants we carry are expected to grow within the parameters of normal weather conditons.

All woody plant purchases are guaranteed from time of purchase to December 1st of **current year**. Perennials are not guaranteed.

Any plant not performing or dying in current season will be happily replaced or credited towards a new plant.

Please email us if possible with any info needed about our plants. We do not have a phone in the garden centre and I'm rarely in the office.

It is very helpful to copy and paste the botanical name of the plant into your Google browser, in most cases, a detailed summary with photos is given. Google is your friend
