

December 12, 2016

Dear Wanda and Darren:

The Canadian Garden Council sends you and Whistling Gardens Botanical Garden our heartiest congratulations for being named Norfolk County's 2016 Best Botanical Garden.

Your vision of, and dedication to, creating a veritable garden paradise in Wilsonville is truly an outstanding accomplishment. Bravo!

We're pleased to have been among the first to recognize your success when you received the 'New Garden Experience of the Year' Canadian Garden Tourism Award in 2013. And today, three short years later, you have become a Botanical Garden of international repute.

We are in awe of your greatly deserved success!

Warmest regards,

Michel Gauthier
Executive Director
